

Participatory Decision-Making Webinar – 14 May 2024

Denise Franscisco – Senior Associate, Capire

Denise has over 30 years' experience in engagement, communications, social planning and policy across local and state government and the not-for-profit and private sectors. An accomplished facilitator, she has worked with urban, rural, First Nations and diverse communities to support community development, deliberative engagement and co-design processes.

Her authentic and empathetic approach helps create supportive environments where people feel safe to challenge themselves, embrace transformation, and work together towards shared outcomes.

Mollie Rashleigh – Senior Associate, Capire

Mollie is a meticulous engagement consultant with experience in social research, facilitation, policy development, and community-based planning. Her roles have included working in the government, not-for-profit and private sectors around local capacity building and community-based approaches.

Mollie is skilled in designing innovative engagement techniques and providing analytical and comprehensive analysis. She is passionate about empowering communities to shape the decisions that impact them.
